CLARIFICATION /AMENDMENT

Sub: For Procurement of 7/10 SWG Guy Wire Clarifications to pre bid queries -Reg.

Ref: 1.Tender No. BESCOM/2026-27/IND0246
2. Pre bid meeting queries received on 12.05.2026.
3. Approval of DT, BESCOM on this office note dated 27.05.2026

****

The Clarifications/Amendment to the queries raised by the Firm for the above said enquiry are issued as under.

Sl. No.	Clause No.	Tender Condition	Modification requested by the Firms	Clarification/ Amendment as issued by BESCOM
1.	Sec II ITB 5.03	The Tenderer should have manufactured and supplied at least 80perecent (40percent to Micro and small Enterprises) of the tendered quantity of 7/10 SWG Guy Wire in any one of the last 3 preceding years i.e.,2023-24 2024-25 & 2025-26 (last 2 years i.e.,2024-25 & 2025-26 for Micro & Small Enterprises) to any Electricity Distribution Companies.	As per the tender qualification criteria, order completion and supply experience has been sought for the years 2024-25 and 2025-26 (for MSME). In this regard, we humbly request the department to also consider Purchase Orders and Completion Certificates pertaining to the years 2023-24 and 2024-25. Generally, most departments issue completion certificates only after satisfactory performance of the supplied materials for a minimum period of one year. Due to this practice, obtaining completion certificates for supplies made during 2025-26 (recently concluded) is practically difficult at this stage. Therefore, we request the department to kindly consider Purchase Orders and Completion Certificates for any one of the years 2023-24 or 2024-25 for the purpose of qualifying requirements.	Tender condition prevails

2.	Sec II ITB 5.03	The Tenderer should have manufactured and supplied at least 80perecent (40percent to Micro and small Enterprises) of the tendered quantity of Guy Wire in any one of the last 3 preceding years i.e.,2023-24 2024-25 & 2025-26 (last 2 years i.e.,2024-25 & 2025-26 for Micro & Small Enterprises) to any Electricity Distribution Companies.	We request the department to consider supply experience of both GI Wire and Guy Wire collectively for qualification criteria. The tendered quantity is considerably high, and in recent years, no department has floated tenders involving such substantial quantities. Hence, restricting qualification experience to a single item (only Guy Wire) may limit wider participation of capable bidders. Considering combined experience in supply of GI Wire and Guy Wire will encourage fair competition and ensure broader participation from experienced suppliers.	Tender condition prevails.

Chief General Manager Ele,
Procurement, BESCOM.
